- Get 5 boxes checked and earn
- Get 10 boxes checked and earn
- Get 15 boxes checked and earn
- Get them all checked and earn

### Parent Tips:

Parents – add in something they could earn if completing certain number of boxes checked off  
 Parents are to remind them of the sheet but not always the chore  
 Let them pick how many and which ones they want to do- (parent influence suggested)  
 Let them know that they will turn in the sheet and review it with the instructor
